•You are required to stay with your host family for a minimum of two (4) weeks to give you and your host family time to adjust to each other. However, if you have to be relocated within this period due to exceptional circumstances, this will be arranged promptly at no charge to you.

•If you want to change host families without providing any reasonable ground it will incur a placement fee and a two (2) week notice period.

•Placement Fee is not refundable, unless the your Visa is not approved

•I understand that Homestay is not a hotel service. I am prepared to be treated as any other member of the Homestay family and will respect all rules and direction given by my host family during my stay at their home. I will ensure that I clearly understand the rules of the Homestay by discussion with my host at the commencement of my stay.

•I will make every effort to interact with my host family members and be pro-active (as a positive and active family member) within the household. I will communicate to my Homestay host, foods that I cannot or prefer not to eat. I will also make an effort to try different foods.

•I accept that I will have to use public transport to travel to and from my school and that my travelling time may be up to one hour each way from my host family.

•I am willing to accept any reasonable household rule that my Homestay family sees fit to impose for my welfare. I understand that I **must contribute to the household duties as other family members do**. I will abide by the host family rules with regards to keeping my room tidy, washing dishes, laundry etc.

•I will inform my Homestay host of my whereabouts and plans each day. I will be punctual for meals and be home by the agreed and an acceptable time. I will contact my Homestay family if I am going to be late. I will seek permission well in advance from my Homestay family if I want to invite friends to my Homestay's family home.

•I understand that a Homestay environment is not limited to a traditional family structure (mother, father and children) and that most Australian families have pets. I also understand that Australia is a multi-cultural society and I cannot discriminate on the grounds of race, gender, age or religion.

•I accept that my Homestay family may host other Homestay students from both SayStay Student Accommodation and other similar providers. I also accept that I may be placed in a Homestay home with other students of nationalities, different to mine.

•I am aware that SayStay Student Accommodation reserves its right to remove me from the accommodation without further responsibility to relocate me, if I do not abide by the Expected Behaviour terms.
